[] had gone to say that his organization was handling the petitions in favor of WALLACE, and that these petitions are of a very specific nature and show that they have been approved by the Secretary of State of North Carolina. He said that they have to follow that exact form and that great care should be taken in getting the signatures to make sure that only registered voters sign because a signature by an unqualified person would disqualify the whole page. On Apr 16-68 a regular meeting of the K.K.K. Was held at the [redacted] about 35 Regular members was present. No Visitors & No new members taken in. [redacted] was acting E.C. The regular E.C. was absent.

[redacted] put a motion before the Klavern to stop the monthly payments to Bob Jones Grand Dragon and National Hdq's. The Vote was unanimous, and these payments stop as of now. The money will remain in the treasury of Unit 180.

[redacted] said that this news will travel like wild fire to the whole state and then maybe Mr Jones will explain why he has not paid the Lawyer for defending the defendants during the recent trial. All of the defendants was from unit 180 at the time of arrest.

[redacted] came to the meeting last night Apr 16-68 to express himself so all would know his feelings without any hear say. [redacted] said he had been called a copola days before by the Lawyer - [redacted] and

asked. - If he knew why he had not been paid? [redacted] said he did not know but Mr Jones had told him that he had the money and would pay it. This was last year when this statement was made. Later [redacted] and [redacted] both went to Mr Jones home in Granite Quarry and asked him about the bill, again. Dragon Jones said he had the money and would pay it. - Again when the Banquet was held at "Ketners" Restaurant in Salisbury for the drawing of the \$5000.00 Kitty Feb 1-68 Mr Jones announced before the crowd that he had the money and would pay the Lawyer fee. But he has not. and [redacted] asked the Lawyer to figure out his share of the bill, for there was eleven defendants and they was responsible for the bill, and if it was agreeable with him he would pay his share $\frac{1}{11}$ of the total, The total being \$3100.00. The bill was \$2500.00 before the second hearing of [redacted] and this trial made the total \$3100.00. No Decision was made since Mr Jones.

had made so many statements that he had the money and would pay it. And now the E.C. asked for volunteers to form a committee and go see Mr. Jones and ask him point-blank why he did not pay?

Everyone refused saying that Jones had lied so many times that he would only lie again and everyone was mad at him now, so if they was in his home and tempers flared Jones might have them arrested or there might be some other trouble, such as a fight, which would be worse than a trespass. So a suggestion was made by [redacted] to have him come to the Klavern, and this would be a written invitation or telephone.

The number present is growing a practice is being made for everyone to try and bring someone, and this is the order of the day instead of trying for new ones, get the old members back. Among those present was

[redacted] said that he would never pay ~~any~~ money that Bob Jones would get a Percentage of. for last year he was banned from the Klan, and at that time he was chief of the Security Guards for this province and ranked as "Major" and supplied all accessories except pants & shirts for them, he had to pay for all supplies, Insignia's, ties, Helmets whistles, belts, in advance then resell to the Guards, when he was banned he had \$97⁰⁰ worth of Supplies on hand and paid for, he turned this back in to Jones who promised to refund his money, but he never did. [redacted] stated that Dragon Jones was a Liar and a S.O.B.

Everyone was asked to attend The Province Meeting, April 21-68 at 3 PM at [redacted]

[redacted] No new members were taken in. One old member was brought back after paying up his Dues - [redacted]

[redacted] stated that Don Jones had his assailant arrested, and he was kinda sorry for he was the best ~~and~~ Customer that he ever had for buying bootleg "Likker" but he would like to be a character witness for him.

[redacted] was asked by the E.C. to be a Security Guard, There are five Vacancies, he agreed and was appointed on the spot. and told to get a complete uniform as early as possible.

[redacted] reported again that he had talked with [redacted] and asked him why he quit and again said for him to take the Klan and go to Hell. He has already been relieved of his Rank of Captain of the Guard.

The E.C. said that he wanted anyone to come up with any idea that would get the members to attend and get new ones, that any ideas were worth a try, for.

the members were tired of Not getting any thing from the State Hdq or The National Hdq's and them asking for ~~money~~^{money} all the time, Money, Money, Money - thats all we hear. and we are damn tired of it. Robert Shelton reported again that the national Treasury didnt have enough Money to pay his Salary.

The meeting was not dismissed just a goodnite and everyone was told to ~~be~~ keep Sunday Apr. 21 open for the province meeting, but there was plenty of time another regular meeting will be held before then.

Among those present was B.A. Winecoff

Barney Brannon,

John B. Whitley Candidate for Commissioner of Insurance was present seeking votes he shook hands with all and passed out his Cards.

Reece Stubbs, Announcer began reading when the program went on the air at 9. P.M.

He read a report quoted by an FBI. Agent who attended Communist meetings during the years from 1957 to 1960 in California and stated that Michael Luther King alias Martin Luther King was a Communist and attended these meetings during these years.

About half the Radio time was used

by the announcer Mr Stubbs and Mr Dorsett for questions & answers. Mr Stubbs asked the name of his Klan? Mr Dorsett said it was the Confederate Knights of the Ku Klux Klan. Mr Stubbs asked where the money came from? Mr Dorsett said from application fees and dues. No donors.

Mr Stubbs asked if membership was growing? Mr Dorsett said by leaps and bounds, because complete Klauerns were quitting Mr Bob Jones Klan and joining his group, large groups from the Piedmont section of N.C. and the Eastern section, and he had no desire to be the Grand Dragon, but he was filling in for now, but only until one could be elected, and he would not be a candidate when the election came around.

Concerning [redacted] he stated on 3/18/68 that [redacted] is in some new group or has formed something of his own but did not know just what it was.

On 4/2/68, he stated [redacted] contacted him during the past week and indicated he wanted to get together with him and wanted [redacted] was in indicating it was the [redacted]

On 4/29/68, he stated [redacted] had contacted him by telephone on several times in the last couple of weeks, stating that [redacted] has specifically mentioned [redacted] as being in this group, but has not names anyone else who is in it.

[redacted] on 4/28/68 said that the Confederate Knights had held a rally in Anson County on April 27, 1968, and that GEORGE DORSETT, OSTWALT, FRANK ROSSESS and REID STUBBS of the John Birch Society in Charlotte, had been speakers at this rally. [redacted] said that there had been a good crowd and that they had collected over \$180, all of which DORSETT had left with the local unit. Informant commented on 3/18/68. that [redacted] had told him recently he was not going with [redacted] in his new group. [redacted] has not been attending any meetings of the group for some time and apparently is not connected with any klan group.

Informant stated on March 18 1968, he thinks possibly [redacted] followed [redacted] but on subsequent contacts he has not heard anything from [redacted] about [redacted] and does not really know whether [redacted] is affiliated with any group at all at present.

CE 157-^{379A}~~544~~

On March 18, 1968, he said that [redacted]

[redacted]
therefore, it is possible that [redacted] is under some obligation to [redacted] and maybe following him, although [redacted] has not specifically spoken of [redacted] in recent contacts as being [redacted]

On April 2 and April 29, informant stated that [redacted]

On April 2, he stated that [redacted] has not [redacted] mentioned having any units of his organization anywhere east of Charlotte.

On April 29, 1968, he stated that [redacted]

[redacted] he said LYNCH is a very difficult individual to get along with and he doubts that he ever will have an organization that amounts to anything. If any member disagrees with him openly to any extent at all, LYNCH immediately declares that the individual is no longer a member, and thus people do not stick with him at all.

Sometime prior to April 21, 1968, LYNCH [redacted] [redacted] was going to have a rally at Polly Spout in Rutherford County on Sunday, April 21, 1968. [redacted]

Informant further stated that sometime in March, LYNCH had asked [redacted] to arrange for a rally of IKKKK in Lincoln County during April. [redacted] had done nothing about it and has no information that anyone has made any efforts along this line. [redacted] the matter is dropped so far as is known.

On April 29, 1968, informant stated that a few days ago, [redacted]

[redacted] did not say any more about this and informant does not know whether this was true.

[redacted] has recently said that he is now the [redacted] for the Confederate Knights [redacted] had spoken to [redacted] generally about the possibility of the men presently in the IKKKK forming a new group of the Confederate Knights. Informant said that [REDACTED]
[REDACTED]

On April 29, 1968, informant stated that he has not heard anything further about the IKKKK group since [REDACTED] in Burke County about six weeks earlier. WW II Ace Says War 'Right Here'

About 150 people sat and sweltered, but nodded and clapped last night, while Brig. Gen. Robert L. Scott, USAF (Ret.), told them that the front lines of war "are right here in America."

Scott, a World War II flying ace and author of "God is My Co-Pilot," spoke at the Glade Street YWCA. The speech was sponsored by the Winston-Salem Committee of TRAIN (to Restore American Independence Now).

The crowd, which remained silent for the first 45 minutes of the speech, warmed up during the last 15 minutes. When Scott finished, he got a standing ovation.

"Great Man"

"He's a great man," said one woman. "We need more Americans like him in these times."

Pamphlets and books were for sale on a table at the side of the YWCA auditorium. One of the pamphlets was by Tom Hollingsworth, a former Green Beret who spoke to TRAIN here in March. A stack of records featuring the voice of Robert Welch, leader of the John Birch Society, was also on sale.

But the main attraction was Scott.

He started off with a few flying stories, and then began an attack on what he said was our "no-win" Vietnam policy, Communism in the government, the Supreme Court, protesters, and the news media.

Like Greece

Scott talked about history to show that America is in a tailspin and needs to pull out. "The great civilizations like Greece and Rome fell from within," he said. "They became so strong that no enemy from the outside could defeat them, but they fell from decay on the inside."

He reminded the audience that the words of Nathan Hale and Patrick Henry "are being eliminated" from the school books, and said the people of this generation are "entrusted with what these men bought and paid for."

He said that pilots in Vietnam have told him that the war could be won in 30 days, and the House Armed Services Committee has said it could be won in 90 days if American forces were turned loose. "We must win this war quickly and with a minimum loss of life," he said.

Police Destroyed

Turning to Communism in the government, Scott said, "Anarchists have destroyed the police; Negro preachers, rioters, Senators and even some presidents."

He said the people have "no right to permit our highest court to alter and obliterate the highest law of the U.S."

The bitterest part of Scott's attack was reserved for the news media, and television in particular. "We are systematically being fed distortions by TV," he said. He referred to newscasters Chet Huntley, David Brinkley and Eric Sevareid as "ultra liberals" and "probably Communists."

He urged the audience to tell the news media that they "don't like these distortions," and if the media does not listen, to "kick in the tube if you have to."

Last year, STUBBS spoke at a UKA Rally in Concord, North Carolina, and donated 100 of his records entitled "GEORGE WALLACE For President" with all the money to be turned over to UKA for use in the Defense Fund being raised for the men in the Concord-Kannapolis-Salisbury area who were tried by the Federal Government on Conspiracy charges.

STUBBS also invited Grand Dragon J. R. JONES to be on the radio program which STUBBS has which is over an FM Station in Concord on Sunday evenings at 9 p.m. JONES did appear on this program of STUBBS, date not recalled.

According to hearsay, STUBBS sometime this year at a public rally near Wadesboro in Anson County, which rally was held by the Confederate Knights of the Ku Klux Klan, run by GEORGE DORSETT. The information has been received that the name STUBBS was on a poster advertising this rally in advance, but a copy of this rally poster has not been obtained; however, from several sources it has been heard that STUBBS did speak at this rally of the CKKKK. It has also been heard that GEORGE DORSETT appeared on the radio program of STUBBS over the station in Concord after this rally and also that FARRELL OSTWALT of Charlotte appeared also on this radio program of STUBBS.

In connection with the WALLACE Campaign in the state of North Carolina, a topic of conversation came up [REDACTED]

b7D

[REDACTED] on July 7, 1968. One of the men mentioned a small town in North Carolina, the name of which is believed to be [REDACTED]. This man said he had been visiting the Klavern Hall which is in a building right in the middle of town. He said that the WALLACE Campaign Headquarters is in the front of the building and the Klavern Hall is in the back of the same building. He said that the personnel of the WALLACE Campaign Office are all members of the UKA Unit and that the Exalted Cyclops and other members take turns operating the WALLACE Campaign Unit there. This man continued that while he was in the back of the building looking over the Klavern space with the Exalted Cyclops, a man came in the front door and said, "Hey, we need some more of that literature of WALLACE's", and came walking on to the back of the building into the Klavern Hall space. He said this man who came on back was the local city policeman or a local city policeman and that they had a nice chat.

If this were publicized on a National television network it is believed sure that this would be detrimental to the WALLACE campaign. This small Klavern Hall believed to be in [REDACTED] North Carolina, should be very easy for a newsman to check out.

Also it is believed that if a check were made of the State delegates to the WALLACE convention in North Carolina, a large number of them would be found to be members of the UKA.

November 14, 1968

On November 2, 1968, members of the Clayton, Princeton and Meadow Township Units of United Klans of America, Incorporated, Knights of the Ku Klux Klan (UKA), representatives from the Johnston County WALLACE for President campaign and members of the White Citizens Council of Johnston County met at Selma, North Carolina, on Highway 301, to organize a motorcade. This motorcade left Selma about 1:00 p.m. and drove through every community in Johnston County, and it ended about 5:00 p.m. The purpose of this motorcade was to promote interest in the WALLACE for President campaign and to urge all voters to get out on Election Day. No arrests or incidents were reported during this motorcade.

November 14, 1968

On November 4, 1968, a weekly meeting of the [redacted] was held at the Klavern Hall, and [redacted] presided as Exalted Cyclops. Thirty-five members attended, of which the following were recognized:

b7D

b6
b7C
b7D

There was a general discussion concerning the coming elections of November 5, 1968, and the names of

WALLACE for President, GARDNER for Governor and FREDDIE ADAMS for Johnston County Commissioner were promoted. Bumper stickers and leaflets concerning these candidates were passed out, and members were urged to distribute them to their neighbors. A leaflet showing HUBERT HUMPHREY kissing a Negro baby on one side, and GEORGE WALLACE kissing a pretty blonde on the other side were passed out.

Plans for turkey shoots for that unit were discussed, and it was indicated that they might be extended up until Christmas. Last year, the unit shot off approximately 600 turkeys with an average profit to the unit of about \$10.00 per turkey. The location for the turkey shoots will be on Highway 70-East, Princeton, and the first shoot was scheduled for November 8, 1968, and additional shoots will be held each Friday night, Saturday and Saturday night until Christmas. It is hoped that profits from the shoots will be used to purchase land and for the construction of a new Klavern Hall.

There was a general discussion concerning the fish fry scheduled to be held at the [redacted] on November 11, 1968, and all members were urged to attend.

November 14, 1968

On November 11, 1968, about 24 members of the [redacted] met at the [redacted] Klavern Hall on [redacted] [redacted] store, to participate in a fish fry. J. R. JONES, Grand Dragon, attended and over 100 members attended from the [redacted] [redacted] This event took the place of the regular weekly meeting of the [redacted]

b6
b7C
b7D

After the fish fry, there was a meeting which lasted about one and one-half hours, and J. R. JONES presided. JONES spoke strongly against General Foods Corporation and the television program "Julia", which features a Negro girl, which the General Foods Corporation is sponsoring. It was noted this is a similar-type campaign that the Klan urged against the Pepsi-Cola Company about a year or two previously.

JONES stated that the UKA throughout the State of North Carolina, and even possibly throughout the country, plans to unite with the John Birch Society and with the White Citizens Council, to actively nominate and promote candidates for all offices in future elections so that it will eventually promote the interests of the American Independent Party if there is any future hope of electing GEORGE WALLACE for President in 1972. This campaign will also reach down to the elections of minor officials and is primarily intended to create a strong interest in a third party throughout the country.

JONES indicated he had brought many Klansmen to Smithfield, North Carolina, when there was racial trouble during September, 1968, and he strongly urged all local Klansmen to come to Kannapolis, North Carolina,

on December 3, 1968, to assist the Klan in putting a float in the annual Christmas parade in Kannapolis. JONES stated the Klan has already been refused permission to participate in the Kannapolis Christmas parade, and JONES insisted the Klan will have the first float in the parade even if it means arrests or violence. This parade will start at 3:00 p.m., December 3, 1968, and the Klan will participate in one way or another, according to JONES.

It was mentioned that the all-night surveillances conducted by the Klan units in Johnston County at [redacted]

[redacted]
have been discontinued.

Strong feelings were expressed during this meeting against three unknown Negro men who shot a 17-year-old white boy in Nash County the previous week, and then raped his 15-year-old white girl friend. It is believed that if the Klan identifies these three Negro males and locates them, they will be castrated, in spite of any desire to turn them over to local law enforcement authorities for trial.

I am sending you this application form for membership into the citizens council, from what I could understand from the meeting this organization they want to help us intersted people to set up Privet Schools. The name Burch Society came up. Is this an organization of Communist leanings? If so, please send me information of this organization and what they stand for. I HATE COMMUNIST'S. And all that they stand for. I would let the people know whats going on. I don't have much education so please overlook the mistakes I have made. I think I am a good American Citizen and I don't like it when some people try to pull the wool over my eyes.

I personally think you are the finest man I know, and have spent most of your life, fighting Communist's. I am 42 yrs. old and have wished many times that I could have met you in person. There was a general discussion concerning the three white boys who went on a spree of breaking windows, shooting into the air, and throwing bottles at passing cars, the previous weekend in the [redacted] community. Before these boys were identified as white boys, everyone in that area assumed that Negro boys were committing the acts.

A film on the subject of sex education which was put out by the John Birch Society was shown by [redacted] and this film lasted for about 45 minutes. The theory behind showing this film apparently is to prove that sex education in school classes today is a step in the plot by the Communists to take over this country by poisoning the minds of the children before they are old enough to understand the meaning of sex. This film reportedly is one of a series of seven films that the John Birch Society is showing. After the film was shown, booklets and pamphlets were distributed, and it was mentioned that the films

will be shown only in private homes in small groups for each showing. There was no known reason why the showing of these films is limited to such small groups.

On [redacted], the [redacted] of the United Klans of America, Inc., Knights of the Ku Klux Klan (UKA) held its regular closed meeting at the klavern hall located in [redacted] Exalted Cyclops, presided.

The following members were present:

The meeting was opened with a discussion concerning the membership drive presently being carried on. It was suggested that a letter be written to members who are in good standing but delinquent in dues. [redacted] was chosen to compose a letter and to present the letter at the next meeting of the unit, March 3, 1970, for the unit's approval. [redacted] stated he would compose a letter following a letter recently received from the John Birch Society. [redacted] stated he could arrange

to have these letters Mimeographed [redacted] A report was made on the Crusade Membership Drive [redacted] delinquent members have been reinstated as a result of this program.

A committee was appointed by [redacted] to decide on a way to handle funds received from the sale of [redacted] if and when this happens. [redacted]

[redacted]
This committee consisted of the following members:

[redacted]
[redacted] announced from contact with members of the John Birch Society and with member of the klans state office he has reason to believe there is in the making a union of these two organizations. [redacted] read a telegram he received from the national office concerning the black panthers having purchased a large tract of land in the south. This telegram reassured klansmen that the klan had acquired options on all the land surrounding this land purchased by the Panther organization.

[redacted] discussed the klans plans for moving the unit into mobile units. He furnished the following reasons:

1. A mobile unit would be mobile and could be moved from one location to the other.
2. This would create a public interest and would possibly help in the membership drive.
3. Convenience to membership as it would afford a klavern possibly several units within their district where these units could be more centrally located within the membership and would make for more activities.

[] stated it was his understanding the klan has been talking with mobile unit builders in Goldsboro, North Carolina, regarding the securing of mobile units.

A letter was read from the state office concerning the state office maintaining their membership records. It stated that two separate records would be maintained. One consisting of the actual list of members and a second record consisting of a partial list of members and their donations. It pointed out that by keeping two sets of records would avoid a similar situation into which SHELTON got himself involved with when he was forced to produce the names of members. By having the two lists then the state office could decide which list would be made available in the case of a court order.

A visitor was introduced by the name of [] from the state office in charge of the centralized southeastern organization. [] spoke on his responsibilities of "pepping up" units in his district and getting units on the "ball." [] spoke concerning rallies and stated that [] was in bad need of a rally for that area. [] proposed one in the early summer months. No action was taken on [] recommendation.
